## **Stourton Memorial Hall Conditions of Hire**

1. The Hall Committee reserves the right to refuse and/or cancel events at any time if it is considered that the event would prejudice the character of Stourhead for visitors or that the event has been misrepresented.
2. Our staff will treat every hirer and their guests with all respect and courtesy and expect the same in return. Uncourteous behaviour of any sort is likely to result in the cancellation of the hire and/or a refusal to take future bookings.
3. The basic principle of hire is that the Hall and its surroundings should be left as found and treated with respect.
4. The booking should be made in the name of an individual, who takes full responsibility for the security of the Hall during the booking and strictly abide by these conditions of hire.
5. Bookings for public events must be covered by a minimum of £2 million public liability insurance. A copy of the certificate should be sent to the Hall Manager by email or post at least one month before the event. The Hall committee take no responsibility for loss, damage or theft of any items from the Hall during your period of hire. Please ensure you have adequate insurance cover.
6. Full payment of the invoiced fee is required in advance of your event, otherwise entry is likely to be withheld. Unless otherwise agreed, a damages/cleaning/over-run Security Deposit is required, to be paid at the time of booking.
7. Wedding bookings:
  - a. It is lovely to hold your wedding at our hall but wedding parties prove disruptive to the local community so we limit the number which are held annually. The price is as stated on the invoice and is not negotiable. Unless otherwise stated bookings made in the year prior to the wedding require an initial payment of £300 at the time of booking, with payment of the remaining sum plus the breakages deposit in the January of the year of the wedding. Bookings made in the same year as the wedding date require payment in full at the time of booking. Once payments have been made refunds will not be given in the event of cancellation.
  - b. Residents or children of residents within the Parish of Stourton and Gasper may book their wedding at a heavily discounted rate. In these cases both the hire fee and the security deposit must be paid in full at the time of booking. If the wedding is cancelled at anytime then both the hire charge and the security deposit will be retained in full.
  - c. The hire period for wedding bookings is specified on the invoice. The price will not be reduced pro-rata even if the full time allocated for the event is not used. The Hall must be cleared in full by the end of the Hire period otherwise the security deposit will be forfeited.

8. Collection of Hall keys:

At least 48 hours prior to your event please contact the Caretaker - Julia Ledbury, 2 Bells Lane, Stourton. Tel: 01747 840158 / 07775 932130 to arrange collection and return of the keys. If paying by the hour, hire is charged from the time of access to the Hall to the time keys are returned to Julia Ledbury. Unless agreed in advance with Julia, you will be unable to access the Hall prior to your booking. Keys must be returned at the end of your hire period.

9. Fire Regulations and Health & Safety:

Please read the Health & Safety and fire notices displayed in the Lobby of the Hall (small door end). A maximum of 100 people seated or 200 standing may use the Hall at any one time. Where guests are to be seated adequate gangways must be provided for emergency use. We suggest a maximum of 80 people seated provides more comfortable seating and adequate gangways. All fire exits must remain free from obstruction at all times, including access to the boiler room in the lobby. The use of portable gas heaters, candles, tea lights or similar in the Hall is not permitted. All accidents must be recorded in the Accident Book.

10. Professional caterers:

If hirers employ professional caterers (where some payment is made over and above purely covering expenses) to provide food and drink of any sort for any private function (for example a wedding, residents' event, party, talk), irrespective of whether the food and drink has been prepared at or away from the Hall premises, then the caterers must have at least one member of staff in possession of a valid food hygiene certificate. That member of staff must be in attendance at all times during the event concerned. In addition, public and employer's liability insurance to a value of £2,000,000 must be held and a valid certificate of insurance must be available for inspection during the event. Spot checks may occur and events are likely to be halted if hygiene and insurance certificates are found not to be in order.

11. If hiring the Hall for a private party which is not being professionally catered we recommend you follow basic food hygiene guidelines which are available from:  
<http://www.nhs.uk/livewell/homehygiene/pages/homehygienehub.aspx>

Floors to be swept but not washed, the fridge/freezer is now to be left on after emptying.
- b. If the Chiller has been used please switch off and place the provided drip bowl underneath. Failure to do so will result in damage to the floor for which you will be liable.
- c. Crockery, Cutlery etc Your requirements must be made known to Julia Ledbury (contact details above) at least 48 hours prior to your bookings. They must be left in a clean and dry state at the end of your booking. Shortages will be charged at the current rate.
