All white crockery, cutlery and glassware as shown, is included with your hire. There is enough for 100 settings although due to health and safety and guest comfort, we recommended the maximum number seated for a wedding is 80.

A ladder is available for use by qualified personnel. To qualify you must undergo the appropriate training and risk assessment as provided by Stourton Memorial Hall during your wedding presentation.

An easy to use sound system, 2 microphones and a projector and screen are also available upon request. *These must be pre-arranged with Hall Management*.

Included in the hall hire is the use of the chairs, tables and cloths as shown in the photos below. The tables are 2x4 and the chairs are a sturdy blue plastic.
There are 90 chairs and 30 tables which can be used in many different configurations depending on your requirements.
